Re: USA v. Huang, et al.
06 CR 1006 (KMK)

Judge Kenneth M. Karas
United States Courthouse
500 Pearl St.
New York, NY 10007

BY HAND

Dear Judge Karas:

The defendant Fuyin Huang respectfully submits this letter as his reply to the government's answer, dated March 16, 2007, to the defendant's motion to suppress.

The government's answer, in somewhat cryptic fashion, completely fails to include an assertion of sworn facts which purports to controvert the defendant's affidavit as well as my supporting affirmation. Accordingly, the defendant's motion should be summarily granted.

Thank you for your consideration of this matter.

Very truly yours,
